

## Envision Team Italy Saturday 14 to Saturday 21 July 2018

Paulo Patuelli studied at London Seminary before returning to his home city of Imola in northern Italy, where he pastors *Chiesa Evangelica Luce sul Santerno*. Having come to know about GBM's work during his time in the UK, Paulo has invited us to send an Envision team to work with the Church for a week in the summer.

Following a model similar to our Poland team, the focus will be on helping the Church's outreach to children and their families, as well as making the most of an Italian summer to take the gospel out onto the streets.

The team programme will include:

- A morning Holiday Bible Club for children
- Street evangelism and leafletting
- Contributing to the Church service on the Sunday

The team will stay on the church premises or with church families. There will be time to share and pray, and to relax together as a team, and there will be a day off to travel to a nearby city.

Estimated cost (all-inclusive): £400. Prices subject to flights and currency fluctuations

Closing date for applications: Tuesday 3 April 2018

All applicants must be baptised church members, and are required to sign a copy of GBM's doctrinal basis. They must also come with the recommendation of their home church.

For more details contact [supportministries@gbm.org.uk](mailto:supportministries@gbm.org.uk) for an application form.
