

Envision Team Italy Saturday 29 June to Monday 8 July 2019

The Breccia di Roma Church is at the heart of the city of Rome, and is very active in reaching out into the city with the gospel. They moved into their own premises a couple of years ago, and in 2018 they launched a new church-plant in the district of San Paolo. The church is led by Leonardo De Chirico, and they are eager for a GBM Envision team to come and help them with their summer outreach.

The focus of the team will be threefold:

- Prayer: the spiritual conditions in Rome require much prayer, and the team will visit different parts of the city to pray for their needs.
- Outreach: the church is keen to use sport to connect with young people, as well as English teaching both for Italians and refugees. There will also be international outreach events.
- Fellowship: the team will take part on the services of both churches, to get a better understanding of the situation of Italian churches.

The team will stay in an Airbnb apartment. There will be time to share and pray, and to relax together as a team, and a rest day will be built into an otherwise packed schedule.

Estimated cost (all-inclusive): £400. Prices subject to flights and currency fluctuations

Closing date for applications: Friday 5 April 2019

All applicants must be baptised church members, and are required to sign a copy of GBM's doctrinal basis. They must also come with the recommendation of their home church.

For more details contact supportministries@gbm.org.uk for an application form.
