

**Envision Team Poland
Saturday 28 July to
Saturday 4 August 2018**

Andrzej and Monika Kempczyński have been working in Legionowo since 2009, trying to get a church-plant established. This large town has no other gospel witness, and great spiritual need. In the loneliness of their work they have found the help of an Envision team for a week has really pushed their work forward, reaching children and their parents. Out of the first team in 2016, the group have been able to start a youth group.

Each year the team reaches out to children who live in the flats in the area where the church meets. Legionowo is a town of over 50,000 people, with a mixture of older Communist-era tower blocks and more modern apartments and houses. The team will help the church reach out to this population with leaflet distribution.

The team programme will include:

- A morning Holiday Bible Club for children, including sports and craft session
- Evangelism and leafletting
- Contributing to the Church service on the Sunday

The team will stay in a local guesthouse. There will be time to share and pray, and to relax together as a team and see something of the area.

Estimated cost (all-inclusive): £480. Prices subject to flights and currency fluctuations

Closing date for applications: Tuesday 3 April 2018

All applicants must be baptised church members, and are required to sign a copy of GBM's doctrinal basis. They must also come with the recommendation of their home church.

For more details contact supportministries@gbm.org.uk for an application form.
