

# African Drum Craft

## Materials

- 2 disposable drinking cups (plastic or polystyrene)
- Sellotape
- Masking tape
- Wax crayons
- Permanent markers

## Instructions

- Tape the drinking cups together, base to base
- Cover the openings at the top and bottom with masking tape
- Completely cover the outside of the cups with masking tape (or strips of paper if you prefer)
- Use wax crayons to colour your drum
- Use crayons and permanent markers to decorate the top and bottom of the drum.

Enjoy!
